- Click the "Overview" button to open the student's detailed profile window, which displays personal details, contact information, parent profile, and academic background. This section provides a comprehensive summary of the student, including their date of birth, blood group, religion, and caste, as well as both present and permanent addresses with phone numbers for easy communication. The parent profile section shows the names, occupations, and contact details of the student's father, mother, and guardian. Additionally, the academic background includes school details, board of education, year of passing, overall percentage, and KEAM rank, if applicable.

- Click the "Academic" tab to view the student's academic record, which displays subject-wise details including the university grade, internal marks, and attendance percentage for each course. You can switch between semesters using the 1st Semester, 2nd Semester, and 3rd Semester tabs to navigate through the academic history. This section provides a clear overview of the student's academic performance, helping mentors monitor progress and identify areas that may require additional support.

Noteworthy Achievements [+ ADD ACHIEVEMENT](#)

Prizes/Awards/Scholarships [+ ADD AWARD](#)

- Click the "Add Achievement" or "Add Award" button to expand the respective form, where you can enter details such as Achievement Details, Event, Organizer, and Award. After filling in the required information, click the "Save" button to record the entry or "Cancel" to discard the changes.

The screenshot displays the 'ACHIEVEMENTS' tab of a student profile for 'STUDENT 7026'. The profile header includes a photo placeholder, student ID, roll number (208003), and mentor (Staff 56). A 'DOWNLOAD' button is present. The navigation bar shows tabs: OVERVIEW, ACADEMIC, INTERACTIONS, ACHIEVEMENTS (active), ASSESSMENT, and RECORDS. The 'ACHIEVEMENTS' section is divided into two parts: 'Noteworthy Achievements' and 'Prizes/Awards/Scholarships'. The 'Noteworthy Achievements' section has a text area for 'Achievement Details' with 'SAVE' and 'CANCEL' buttons. The 'Prizes/Awards/Scholarships' section has input fields for 'Event', 'Organizer', and 'Award', also with 'SAVE' and 'CANCEL' buttons.

- Click the pen icon next to any section to enable editing mode, allowing you to update the mentee's assessment details, including personal impressions, financial and personal background, strengths, weaknesses, and areas for improvement. Once the updates are made, click "Save" to apply the changes.

You can also review academic habits such as daily study time, reading interests, and study environment at home. This feature helps mentors track the mentee's overall progress and provide targeted guidance and support based on individual needs.

Mentee Remark

- When you click the "Add Record" button, a form is expected to open where you can enter details such as the date, type of record (like disciplinary, placement, or counselling), description, and any actions taken. Similarly, clicking the "Add Remark" button allows the mentor to add comments or feedback about the student, which will then be displayed under the remarks section.
